

**YOU HAVE BEEN CHOSEN TO BE PART OF...**

# **WHERE CAN SCIENCE LEAD YOU? DISCOVERY SESSION**

The schools team for NHS and Social Care careers in partnership with Speakers for Schools present an insight into healthcare science careers for Year 9 on **Tuesday 18 January 2022** from **9am to 10am** via Google Classroom.

---

## **WHAT WILL THE SESSION COVER?**

Blood sciences, Audiology, Genomics and diagnosing and treating cancers using radiation.

## **HEAR FROM OUR SCIENTISTS**

Let our scientists tell you about the work they do, how they use science every day to help patients and to discover where science can take you.

## **SESSION OBJECTIVE**

To link how the science you learn in the classroom can lead to a rewarding career in health.

---
